

AMA English

WHAT DOES THIS MEAN?

HOW CAN YOU SUPPORT YOUR CHILD?

How you can help at home

Is the quantity of books read better for my child?

Will my child be stretched through reading on their own for long periods of time?

Will my child achieve greater results by doing more? reading harder books?

How can I challenge my child with reading?

Model great reading with your child

Ask your child questions about what they have read

Get them to think of different vocabulary choices to improve their book and find opposite meanings for words using a thesaurus

Can they make comparisons between different texts?

Talk to your child about how characters may be feeling or thinking through what they have read using inference skills

How can I challenge my child with reading?

Model great reading with your child

Ask your child questions about what they have read

Get them to think of different vocabulary choices to improve their book

Can they make comparisons between different texts?

Talk to your child about how characters may be feeling or thinking through what they have read using inference skills

How can I challenge my child with reading?

- ▶ Talk to your child about everything, expand their vocabulary understanding.
- ▶ Explain what new words mean
- ▶ Help them gain understanding of the world around them- questions are everywhere.
- ▶ Share books together
- ▶ Enjoy learning and growing together

How can I help support my child with writing?

Show great examples of writing through what they are reading.
